## COCKTAILS

### Vesper Martini.....12

*Gin, Vodka, Lillet Blanc* · Conjured straight from Ian Fleming's Casino Royale, this infamous martini was James Bond's cocktail of choice and was named after Vesper Lynd – Bond's doomed double-agent girlfriend.

### French 75.....12

*Gin, Brut Champagne, Lemon* · Popular at Harry's New York Bar in Paris, purportedly named after a french-made 75 mm howitzer cannon used in World War I.

### Sidecar.....12

*Cognac, Cointreau, Lemon* · This cocktail originated during the early 1900's. It was named for a favored patron of Harry's New York Bar in Paris whose particular choice of transportation to and from the bar was a motorcycle sidecar driven by his chauffeur.

### Ward Eight.....12

*Bourbon, Lemon, Orange, Grenadine* · A classic from Boston – named for an election district. Legend states that it was created to celebrate an election won by the political boss of the area.

### Sazerac.....12

*Cognac, Pernod, Peychauds Bitters* · Reportedly the first drink to be concocted and called a cocktail, this drink originated in the 1830's when a frenchman – named Peychaud – served up this elixir in a *cocquetier*, or 'egg cup'. He mispronounced *cocquetier*, resulting in the term "cocktail". It was later named after an imported French cognac.

### Dark & Stormy.....12

*Goslings Rum, Ginger Beer* · This drink was invented more than 100 years ago when members of Bermuda's Royal Navy added a splash of the local rum to their spicy homemade ginger beer. The color was described as "the color of cloud only a fool or dead man would sail under". The cocktail is said to have helped ease the ails of sea sickness.
